Stage 3 Water Restrictions

Stage 3 water restrictions were enacted November 1 due to the ongoing drought conditions and the impact of zebra mussels in Lake Texoma affecting available water supply. Lake Lavon is less than half full at 48% of capacity. Consider the situation next summer if drought persists through the winter and spring.

Follow these Stage 3 restrictions:

- Landscape watering with sprinklers or irrigation systems is limited to once every two weeks between November 1 and March 31 according to your trash day. New construction landscape may be watered as necessary for 30 days from the date of the certificate of occupancy, temporary certificate of occupancy, or certificate of completion.

- No hosing of paved areas, buildings, or windows. (Pressure washing of impervious surfaces is allowed.)
- No operation of all ornamental fountains or other amenity impoundments using treated water.
- No washing or rinsing of vehicles by hose except with a hose end cutoff nozzle.
- Prohibit using water in such a manner as to allow runoff or other waste.
- Foundations, new landscaping, new plantings (first year) of shrubs, and trees may be watered for up to 2 hours on any day by a hand-held hose, a soaker

hose, or a dedicated zone using a drip irrigation system.

- No hydroseeding, hydromulching, and sprigging.
- Existing swimming pools may not be drained and refilled (except to replace normal water loss).
- Rain and freeze sensors and/or ET or Smart controllers required on all new irrigation systems. Rain and freeze sensors and/or ET or Smart controllers must be maintained to function properly and may operate without restriction.
- Prohibits the planting of cool season grasses such as rye grass or other similar grasses (except for golf courses and public athletic fields).
- Please be aware that golf courses may water greens and tee boxes without restrictions and public athletic fields used for competition may be watered twice per week.

Wylie is H.O.P.E. has partnered with the City of Wylie to help bring joy to the children in our community through the annual Reach for a Star gift assistance program. Pick up a star from trees located throughout the city, including, Walmart, American National Bank, the Wylie Chamber of Commerce, Woodbridge Golf Club, ViewPoint Bank, Inwood National Bank and Great American Storage.

Each star hosts a wish list for a special child. Purchase 3 items from the list and turn in the gifts with the star at the old Smith Library (800 Thomas St.) on December 6, 8, and 10, from 10:00 am to 5:00 pm. Please direct questions to 214-957-5000 or Candy@WylieIsHope.com.
